Total solutions for Designing and Printing...

Graphic Designing

We provide design facilities like basic DTP to Logo Designing, Brochure Designing, Leaflet Designing, Poster Designing i.e. Almost everything as per your requirements. We also accept jobs related to printing of designs and artworks provided by the concerned parties.

Digital Printing

It refers to methods of printing from a digital based image directly to variety of media. It allows for on demand printing, short turn around, even a variable data with each impression. Modern printing processes such as Laser and Ink-jet printing are known as digital printing. The digital printing process is mainly used to print small printing run jobs. For example Visiting Cards, Letterheads, Brochures, Invitation Cards, CD Stickers and Various kind of Labels, Certificates, Posters etc.

Web / Offset Printing

It is best suited for cost-effectively producing large volumes of consistent high-quality prints in an economically sound manner. Offset printing is one of the most common ways of creating printed matter. It produces sharp and clean images. For example Brochures, Annual Reports, Prospectus, Leaflets or pamphlets, Stationery, Books, Newsletters, Magazines, Computer Stationery, Labels etc.

Binding & Print Finishing

It's post printing operation which emphasises on good finishing of printed product. We offer various print finishing operations such as Trimming, Cutting, Creasing & Perforation, Saddle Stitching i.e. Centre Pinning or Side Pinning, Perfect Binding, Case Binding, Wiro O wire & Spiral Binding, Die Punching, etc. In order enhance appearance of printed product we also offer print finishing operations like Lamination (Matt or Gloss), Spot UV, Embossing and Foiling.

Scanning & Record Management

We have been working on records information management solutions. We can provide options for almost any document management need. Our services include off-site records storage, documents scanning rotation, evaluating and shredding solutions. Off-site records storage option in secured area of the data captured and its form of preservation such as in the form of hard copy of documents, soft copy in CD, Pendrive or in Hard drive always is the choice of concerned party.
