

# AAR: Remuneration paid to directors to attract GST

PRESS TRUST OF INDIA  
New Delhi, April 7

COMPANIES WILL HAVE to pay GST on the remuneration they dole out to directors, the Authority for Advance Ruling (AAR) has said.

In an application filed before the Rajasthan bench of the AAR, Clay Craft India had sought clarification on whether salaries paid to directors would attract Goods and Services Tax.

The company said its directors are working as employees for which they are being com-

**The clarification came after an application filed by Clay Craft India before the Rajasthan bench of the Authority for Advance Ruling**

and are working as such besides being director of the company," it said.

In its ruling, the AAR said, "the consideration paid to the directors by the applicant company will attract GST under reverse charge mechanism..."

The AAR, while analysing the case, said that director is the supplier of services and the applicant of the company is the recipient of the services.

It said that the Central Tax (Rate) notification clearly states that services supplied by a director of a company will be

considered as supply and hence directors cannot be called an employee.

"So it is very clear that the services rendered by the director to the company for which consideration is paid to them in any head is liable to pay GST under RCM (Reverse Charge Mechanism)," the AAR orders said.

AMRG & Associates senior partner Rajat Mohan said, "This ruling needs to be clarified by government, otherwise, lower authorities may take legally incorrect view creating havoc in the business community."

and are working as such besides being director of the company," it said.

In its ruling, the AAR said, "the consideration paid to the directors by the applicant company will attract GST under reverse charge mechanism..."

The AAR, while analysing the case, said that director is the supplier of services and the applicant of the company is the recipient of the services.

It said that the Central Tax (Rate) notification clearly states that services supplied by a director of a company will be

# Govt releases ₹1,410-cr ex-gratia for 2.82 crore

FE BUREAU,  
New Delhi, April 7

THE RURAL DEVELOPMENT ministry has released ₹1,410 crore to all states to provide a one-time ex-gratia to around 2.82 crore old-age, widow and divyang pensioners covered under the National Social Assistance Programme (NSAP).

In order to provide such vulnerable section of the society with some sort of monetary relief during the ongoing situation arising out of Covid-19 spread, the Centre had earlier announced a one-time ex-gratia of ₹1,000 under the Pradhan Mantri Garib Kalyan Yojana Package (PMGKY) in two equal installments of ₹500 each.

In a letter to all chief secretaries, Rajesh Bhushan, secretary in the ministry of rural development, said: "I would like to inform you that the first installment of ₹500 of the said ex-gratia of ₹1,000 under the PMGKY has been released by this department to all 36 states and UTs on April 6, 2020. The second installment under the said package will be released on second week of May, 2020."

**Old-age, widow and divyang pensioners covered under the National Social Assistance Programme to benefit**

The amount of ex-gratia, as proposed in the PMGKY, is in addition to the normal amount of central assistance under NSAP for disbursement of monthly pension of all eligible beneficiaries under NSAP. The first installment under NSAP would be provided to the states in the last week of April and the other, in the last week of November.

"You may kindly appreciate that the targeted beneficiaries require immediate disbursement of this ex-gratia and hence, time is of extreme essence in the matter. Therefore, I would be grateful if you could kindly facilitate immediate disbursement/credit through DBT as per the prescribed procedure, of the first installment of ex-gratia to the beneficiaries of the three pension schemes of NSAP, within two days from the receipt of these funds," Bhushan wrote.

# CPSE staff contribute ₹250 cr to PM-CARES

FE BUREAU  
New Delhi, April 7

AFTER THE CENTRAL public sector enterprises (CPSEs) contributed ₹2,540 crore or 71% of their annual CSR corpus to PM CARES FUND, their employees have donated ₹250 crore to the Fund, complementing the Centre's efforts to contain Covid-19 spread in the country.

The CPSEs have also pledged material and manpower support to the government in terms of the

medical facilities available with them, a senior government official said.

Various CPSEs such as NHPC, Coal India, SAIL, NTPC and ONGC have 201 medical facilities including 11,400 hospital beds spread across 24 states from major cities to the remotest corners of the country.

Besides, various CPSEs have also taken welfare measures such as distribution of food packets to the poor and the stranded, safety and sanitation kits to health workers, doctors and nurses.

# SC extends tenure of TDSAT chairperson

FE BUREAU  
New Delhi, April 7

THE SUPREME COURT on Tuesday extended by three months the tenure of Telecom Disputes Settlement Appellate Tribunal (TDSAT) chairperson Justice Shiva Kirti Singh. He was due to retire on April 20.

A bench led by Chief Justice SA Bobde, while hearing the issue via video conferencing, asked the Centre to explain how the tribunal was supposed to function in the absence of its two members and also when the chairperson's tenure

would also end on April 20.

"We express our concern regarding appointments of administrative member(s) and technical member(s) not being made after the posts fell vacant long ago. We extend the tenure

of the chairperson of TDSAT for a period of three months from the date of expiry of his/her tenure ie April 20," the SC said.

Expressing displeasure at the state of affairs, the apex court observed: "How can the TDSAT work without sitting members? Tribunals are alternatives to the judicial system. Only the chairperson is there and his tenure also ends on April 20. How can the tribunal function like this?" the bench asked Solicitor General Tushar Mehta, who sought time to get instructions from the government on the appointment.

Asking the Centre to expedite the appointment process for TDSAT members, the SC posted the matter for further hearing in the first week of May.

The apex court was hearing a plea raising the issue of vacancies in TDSAT. It said the telecom tribunal was on the verge of becoming non-functional because of government apathy on the appointments. Senior advocate Vikas Singh argued that the government was not doing anything to appoint Justice Singh's successor and this would halt the tribunal's operations.

# Odisha asks Centre to remove 30% cap on use of district mineral fund to fight Covid-19

PRASANTA SAHU  
New Delhi, April 7

THE ODISHA GOVERNMENT has asked the Centre to remove the 30% cap on the use of District Mineral Fund (DMF) to fight Covid-19 in each affected district.

The move indicates the willingness of the state, which has the largest DMF corpus among all states (with unutilised balance of ₹7,000 crore), to use this resource rather liberally to provide succour to people impacted by the pandemic. The use of DMF doesn't entail any budgetary outgo, and so, is fiscally more prudent.

Under the Centre's ₹1.7-lakh-crore package announced on March 26 to fight Covid-19, the Centre suggested that part of the DMF funds be made available for the purpose.

At a time when funds have dried up for states due to a big decline in growth in tax receipts and inadequate central transfers, DMF has unused funds worth ₹23,500 crore across the country. A good part of this pool could be drawn down for building healthcare facilities and purchasing equipment such as ventilators.

A circular issued by the mines ministry on March 28 stated that expenditure related to Covid-19 should not exceed 30% of the balance fund available with each DMF. It also said the purchase of medical equipment and creation of infrastructure could happen subject to the condition that there should be at least one Covid-19 positive patient in such districts.

"With migration from cities to rural areas happening in a big way, the threat of coronavirus spreading in rural areas is very high. The purpose of allowing the use of DMF funds will be defeated if districts are not prepared in advance by creating requisite health infrastructure and equipment," a senior Odisha government official told FE.

Since the district-level fund was created in 2015 by amending the Mines and Mineral (Development and Regulation) Act, 1957, under which miners are required to pay 30% of the royalty amount for leases granted before 2015 and 10% for leases granted after that, DMF has collected a total of ₹35,930 crore till January 2020. From this corpus, the DMF has cumulatively utilised ₹12,415 crore for various welfare programmes in mining-affected districts across the country. The DMF corpus is utilised under the Pradhan Mantri Khanij Kshetra Kalyan Yojana (PMKKY) under which at least 60% will be used for high priority areas like drinking water supply; environment preservation and pollution control measures; healthcare; education; etc.

**NOTICE CUM ADDENDUM**
